Accessibility Guide to the
2021 PHS Philadelphia Flower Show

**The Flower Show is outdoors at FDR
Park in South Philadelphia.**

The Flower Show

The Philadelphia Flower Show displays flowers and plants.

There are small and very large displays of flowers and plants.

There are simple and very complex displays of flowers and plants.

Masks

Everyone is wearing a mask to be protected from getting a virus.

A virus causes a person to get sick.

The mask prevents me and other people from breathing in the virus in my nose and mouth.

I will wear a mask to protect myself and to protect other people from getting the virus.

Getting into the park

When I arrive in South Philadelphia near the Flower Show, there is still a good distance (estimated ½ mile) to get into FDR Park.

There are many ways to get into the park.

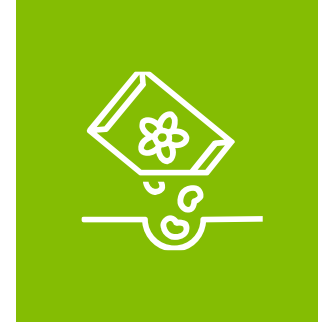

I can take a trolley into the park if I don't want to travel from the parking lot or subway into the park.

Entrance

This is the main entrance to the Flower Show.

I will get my ticket to enter the Flower Show at the main entrance.

Pathways

The Flower Show is in FDR Park.

Some of the pathways are smooth and even.

Other pathways are not smooth and even.

Crowds

The Flower Show can be crowded at times.

Ask and Art-Reach All Access Ambassador for assistance if you are looking for a less crowded space.

Asking for help

Art-Reach All Access Ambassadors are stationed around the park. They will be wearing a blue hat that says “Art-Reach All Access Ambassador.”

Go up to an Ambassador and let them know you need assistance.

Remember to maintain social distancing when you go to an Ambassador.

Restrooms

The restrooms are portable restrooms at the Flower Show.

Exhibits

The exhibits at the Flower Show are made from items in nature.

I can look and smell the exhibits.

Some exhibits you may be able to touch. You should look for signs that indicate I can touch the exhibit.

This is the boathouse and the lake at FDR Park.

The deck at the boathouse is right on the lake.
