PHS Philadelphia Flower Show[®]

For the following bulb class *only*, entries may be assembled from bulbs grown in different pots.

- Bulb Garden—Any combination of bulbs, arranged for artistic and horticultural excellence in a pot 12" or under. Bulbs do not need to be grown in the same pot.
- **New:** Bulb Garden grown by a group (school, club, etc.)—Any combination of bulbs, arranged for artistic and horticultural excellence in a pot 12" or under. Bulbs do not need to be grown in the same pot.

Pot size refers to the inside diameter of the pot. If no dimension is specified, use any size pot that displays the bulbs to best advantage. **You may use bulb pans, azalea pots, or standard pots for all bulb classes.**

For classes for rock garden bulbs, corms, rhizomes, and tubers, see the 2024 *Exhibitor's Guide*, available in September.

Look for a **complete listing** of all Horticulture classes, additional Show information, and an entry form in the 2024 PHS Philadelphia Flower Show *Exhibitor's Guide*.
