PHS Corporate Membership Program

PHS, founded in 1827, uses the power of horticulture to make positive social and environmental change. Driven by a diverse community of more than 300,000 supporters, volunteers, and gardeners, PHS uses all its activities to advance four impact priorities: creating healthy living environments, increasing access to fresh food, expanding economic opportunity, and building meaningful social connections.

PHS' Corporate Membership program generates much needed unrestricted support that ensures continued delivery of important and impactful programs throughout our region. Membership levels offer exclusive benefits, access to the annual Philadelphia Flower Show, employee volunteer opportunities, participation on a PHS Committee for a senior executive, guided garden and public landscape tours, networking opportunities with fellow business leaders, and more.

All PHS Corporate Members receive the following:

- Logo on PHS website, highlighting support.
