

## SUBARU

PHS members are eligible to participate in the Subaru VIP Partners Program. As a long-time supporter of PHS, Subaru is proud to offer PHS Members the opportunity to purchase or lease new Subaru vehicles at a special discount through participating Subaru retailers. Some models may be excluded from the program. MSRP does not include tax, title and registration fees, plus any applicable incentives on the purchase or lease of a new Subaru from participating retailers.

Contributing, Activist, and Advocate members (memberships less than \$500) will be eligible to receive these benefits after six (6) months while Champion members or higher (memberships of \$500 or more) will be eligible to receive these benefits after thirty (30) days. [Not a member? Join PHS today.](#)

PHS will verify that your membership is current and submit the Dealer Authorization Form request to Subaru for final approval. Please allow a minimum of two business days for your retailer to receive the final approved Authorization Form from Subaru. Any online submissions received after 3:00 pm EST will be processed the following business day. Please note that this program is only available to the eligible member and their spouse or domestic partner residing in the same household (address verification required) and is non-transferable.
